## SECURECARE DENTAL HIGHLIGHTS

### NO DENTAL HMOs

SecureCare Dental is proud to offer all DHMO-free plans. None of our plans are capitated, prepaid plans, including our line of rich coverage Copay Plans.

The Copay Plans are fully-insured scheduled PPO Plans where insureds are not assigned to a dentist and lab fees are included, not extra. The Plans work just like a PPO, but with low, fixed copays.

### FLEXIBLE DENTAL PLANS

We will customize single plans or a Triple Choice suite of plans to an employer's needs. Whether it's the freedom to select a dentist, a particular plan design or a premium dollar amount, SecureCare Dental is the best dental benefits choice for employers.

### CONVENIENT ONLINE SERVICES

Our service doesn't stop at 5pm! We can help on-line 24 hours a day, 7 days a week with our web-based services.
